

PACK 301

The Most
Awesome and Super
CUB SCOUT
SUMMER PASSPORT

Welcome to a Great Summer of Adventure with Cub Scout Pack 301!

Whether you are a current Cub Scout, thinking of joining Cub Scouts or a Friend of a Cub Scout we look forward to the adventures ahead of us. Your child will have the opportunity to grow, learn and have fun while doing Cub Scout Activities this summer.

Pack 301 is a Family Pack with both boys and girls from Kindergarten through Fifth Grade.

THE MOST AWESOME AND SUPER CUB SCOUT SUMMER PASSPORT is designed for... you guessed it... an awesome summer of fun! With current social distancing and group size requirements, this SUMMER PASSPORT is designed to be done with your family or virtually.

Within this passport you and your child will find four different themes. Each theme was created to give your child a better understanding of themselves and the world around them.

To earn the National Pack Summertime Award, all your son or daughter needs to do is complete 2 activities from each theme and 4 additional activities for a total of 12. If your Cub Scout completes 16 of the activities they will become a Super-Duper Award Holder and

will go into a prize drawing for a fun prize and for those who Complete the entire passport we have a special "Extreme Summer Award" and prize drawing.

To complete the tasks please have your son/daughter tape, color, stick, draw or stamp something from the activity in the box provided. Take one of our "Flat Cub Scouts" with you for pictures on your adventure!

Once your Son/Daughter has completed the activities please take pictures of the pages and email them to Cubmaster Nick at nick.pedersen@gmail.com

To earn the Award and be eligible for prizes, the SUMMER PASSPORT must be turned in to the Pack email by August 31, 2020.
