# Pack 301 Annual Fall Family Camp-Out Rules

## Adult to Child Ratio

One to one adult/child ratio. Must be (a) parent or (b) legal guardian or (c) designated responsible adult (DRA). who is at least 21 years of age, with written parental authorization (DRA). A Den Leader or Assistant may not be a DRA. **Exceptions**: The only exception to these ratios is when there is more than one scout or sibling in attendance from the same family. **Any child age 5 and under must have a DRA at all times.**

## Responsibility, Supervision and Participation

The direct supervision of the Scout or sibling is the responsibility of the parent, legal guardian or DRA accompanying the Scout. Pack Campouts are intended to be fun experiences and everyone's active participation in the activities and camping experience is needed to make each campout a rewarding experience. Where needed we will assign activities to each den and/or family so everyone has the opportunity to have fun and share the effort.

## Privacy Standards/Sleeping Facilities

**No youth may enter any tent except their own.** Male and female youth participants must not share the same sleeping facility unless they are from the same family. No youth will stay in the tent of an adult other than his/her parent or legal guardian.

## Alcohol/Drugs/Tobacco

No alcohol or illegal drugs are permitted. No smoking is permitted at Pack events. If you need to smoke, step away and out of sight from the Scouts. All cigarettes must be field stripped (remove the filter and throw away in a trash can) when finished.

## Knives/Guns/Archery

Firearms are prohibited. No Scout may have possession of a pocket knife unless he has a Whittling Chip card in his possession. Bears and Webelos may use a pocketknife in a designated area, under supervision of a Scout Leader or adult. No hunting or sheathed knives or axes are allowed under any circumstances. Scouts and youths must use Pack bows, arrows, and BB guns; exceptions may be granted by the range officers.

## Fire and Safety/Lighting

**What goes in the fire, stays in the fire**. No open fires are permitted except in the fire ring. Only the Pack designated Fire Chief(s) may authorize a fire, and all fires must be operated as under the direct supervision of the Pack Fire Chief. Scouts and sibling may add fuel after asking permission of the Fire Chief. Only flashlights and electric lanterns are permitted in tents. **BSA RULES PROHIBIT OPEN FLAME OF ANY KIND IN ANY TENT**.

## Lights Out/Noise

After lights out, everyone must keep all noise to a minimum so others can sleep. Please be extra courteous opening car doors (door chimes) and latrine doors (banging)

Thank you for reviewing and following these. These rules are intended to help us provide our Scouts and families with an enjoyable and rewarding camping experience. Most important: **Have fun!!!!!!**
